

CHOOSING A CLASS

The age recommendations outlined for Kindermusik classes have been carefully constructed to best group children in an age and developmentally appropriate way. Therefore, it is important that your child be at least the minimum age by the start of the semester for the class in which you are enrolling. If you have any concerns about your child's success in a particular age range, I am happy to discuss your child's needs and to work with you to place him in the class best suited for him.

FREE VISITS

At certain times throughout each session, I am happy to schedule a free visit in one of my classes. Please call for availability.

REGISTER EARLY

Although you may join our classes at any time, please register early since class sizes are limited and many fill quickly. Registering at least three weeks before the semester begins also ensures that I will have your child's materials for you at your first class. If you enrol after the semester begins, tuition can be pro-rated accordingly.

ENROLMENT CONFIRMATION

A registration form and payment must be received before enrolment can be confirmed. You will receive a phone call, Email or mailed notice within 2 weeks to confirm your registration.

REFUNDS

Tuition refunds or credit vouchers may be given if there are extenuating circumstances requiring withdrawal from class. All refund requests will be considered on an individual basis. The cost of materials and a \$10 processing fee are non-refundable.

PAYMENT POLICY

Only Cheque, cash or electronic transfer will be accepted. All cheques must be made out to Christina Bangel.

Cheques can be posted to: 14 Wollemi Close, Kellyville Ridge 2155 NSW.

Cheques that bounce will incur a \$20 fee.

SICK CHILDREN

If children are too sick to go to school or daycare they are too sick for Kindermusik. It is important the children with contagious conditions, such as chicken pox, are kept outside the classroom.

MAKE-UP CLASSES

Classes will be made up in the event of teacher illness or inclement weather. I will notify you of the cancellation and the scheduled make-up day.

NON-ENROLLED SIBLINGS

Due to limited class sizes and the delicacy of the younger class settings, Village and Our time classes can only accommodate non-enrolled siblings when the sibling is young enough to stay contented in a car carrier or stroller. Emergency exceptions are considered.

MAKING THE MOST OF KINDERMUSIK CLASSES

Plan to arrive about 5-10minutes early for class. Arriving a little before class provides time for your child to settle in to the musical environment as they prepare to enjoy exploring instruments, reading books, or listening to music. We do request that toys, juice cups, and pacifiers be kept out of sight, and that snacks be finished prior to class. Be sure to dress comfortably.

During class, the most important thing you can do for your child is to be an active and patient role model. It is not uncommon for a child to attend several classes before feeling comfortable in class. Don't be discouraged- what a child is absorbing in class is often evidenced in the comfort of the home environment rather than in a certain participation in class. The understanding and consistency of the parent or caregiver in class and at home are key to facilitating musical learning and growth.

When you are an active, focused, enthusiastic participant in the class activities, your child will model your actions and focus more fully too.

You and your child will enormously benefit from the Kindermusik Experience, especially if you make active use of your At Home Materials. Frequent reinforcement at home throughout the week make all the difference in a child's comfort and participation in the classroom.

Please do not hesitate to call me if you have any concerns.
